

# Special Issue on Photosynthesis

## Call for articles

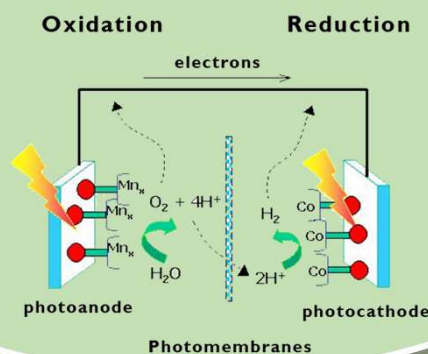

Physiologia  
Plantarum

Physiologia Plantarum is inviting original research and review papers for a *Special Issue* on “**Photosynthesis**” in connection with the 1<sup>st</sup> European Congress on Photosynthesis Research ePS-1 (Uppsala, June 25-28), open also to non-attendees, covering actual topics on photosynthesis in a large sense ranging from **physiology, structure and mechanisms to artificial photosynthesis and biotechnology.**

Do you want to know more?  
[physiologiaplantarum.org](http://physiologiaplantarum.org)

Accepted papers will be published **free of charges** and will be **open access** for the first 6 months.

Deadline  
**10/2018**
